

2018 ANNUAL FUNDRAISER

SPONSORSHIP PACKAGE

FRIDAY, NOVEMBER 9, 2018

7-10PM

THE BASS MUSEUM

MIAMI BEACH

COMMUNITY
JUSTICE PROJECT

FRIENDS OF COMMUNITY JUSTICE PROJECT:

As we speed towards the end of 2018, we look back at a tumultuous year of upsets and uplifts, too. In a time where justice seems hard to come by and moments of levity are increasingly scarce, we take strength from the people alongside whom we work, and the community we have around us - supporting our efforts to build a **just Miami**.

With the odds compounding against immigrants fleeing violence and turmoil in their home countries, low-wage workers who face abuses because they fall outside traditional labor protections, and tenants risking displacement from quickly gentrifying neighborhoods, our work is more urgent than ever.

We invite you to be a part of Community Justice Project's journey to ensure that those most impacted by social injustice have a seat at the table and a hand in designing a better future. On **Friday, November 9, 2018**, we will hold our 3rd Annual Fundraiser. As we celebrate our third year of existence, we will introduce you to our extraordinary new and growing staff. We will look back on what we've accomplished over the last year+ and give a preview on what's to come over drinks and food. As always, we'll enjoy the company of Miamians from all walks of life while checking out the new design and exhibits at the beautiful BASS Museum. You won't want to sleep on this one.

In the pages to follow, you will find some information on how to underwrite and sponsor our event. Last year we had over 250 attendees and knocked our fundraising goal out of the park. This year, we are poised to make it even better, with your help. Please consider sponsoring our event and marking your place in Miami's social justice history. **The struggle for human rights and racial justice demands the participation of all of us.**

THANK YOU

THIS THING IS ALWAYS FUN

People who come to Community Justice Project's events know that we strive to combine the right amount of substance, festivity and good company in a beautiful setting to ensure we all have a great time while supporting an important cause. Join us!

Recognition in remarks | Acknowledgement on Print Materials | Logo projected

COMMUNITY JUSTICE PROJECT

IS A REGISTERED TAX-EXEMPT 501(C)(3) ORGANIZATION

We founded Community Justice Project (CJP) in 2015 to support and build the power of grassroots organizations led by low-income communities of color in South Florida. We believe that social change results when those most impacted by injustice organize for change, and our job as lawyers is to provide them with additional tools to build their power to win the change they seek. This theory of change forms the basis of our movement or community lawyering approach across issues, including workers' rights, immigrant rights, criminal justice, housing and gentrification.
